### **How are these 200 hours broken down?**

You will accumulate these 200 hours by attending the required TT sessions, attending at least 2 yoga classes each week, workshops, homework/meet-ups with buddy group,, Karma Yogi programs, and class observations.

### **What will we learn?**

By the end of this training you will have the knowledge and confidence to lead a 60-75 minute yoga class. You will not only learn the breakdown of common yoga poses (asanas) in several styles, but will also learn about anatomy, Yamas & Niyamas, The Gita, the Chakras, sanskrit, meditation, and much more.

### **What are the required books?**

The Yamas & The Niyamas by Deborah Adele  
Yoga Anatomy (1&2) by Leslie Kaminoff

### **Who will teach us?**

Alyssa will be your lead instructor, however, to keep the importance of community strong, Alyssa invites the teachers of Alma and her own teachers/mentors to participate in the training by bringing their knowledge to the table. These instructors will join us during training hours.

### **What will I have to do in order to graduate?**

Each trainee will be required to teach a well designed 60 minute class to Alyssa, invited friends & family, and the fellow trainees that incorporates several styles of yoga, a dharma talk, hands on assists, and a meditation/savasana. You will know immediately if you passed or failed.

### **What happens if I fail?**

We will do everything in our power to make sure this doesn't happen, but in the event that you fail, you will be given the option to retake the training at a 50% discount.

### **Am I guaranteed employment after I graduate?**

Alma offers all of their graduates the opportunity to teach their "New Teacher Feature" or "Heart & Soul" class to hone their teaching skills.
